Adopted List of

APPARATUS AND SUPPLIES

By Sonoma County Board of Education

The County Board of Education, after making a thorough investigation, has adopted the following list of standard apparatus and supplies which is to aid the Trustees and Teachers in a more economical purchase thereof.

Trustees will purchase from this list, and see to it that prices paid are not in excess of those herein quoted. Otherwise the warrants will be held up until prices are investigated.

For prices of articles not listed here the Clerk of the Board of Trustees should consult the Superintendent's office.

Teachers will please place these sheets in the front part of the Course of Study.
